## SOCCER HEAD TENNIS

This game is most demanding on the ball skills of the players, requiring utmost ability in controlling the ball with all parts of the body excepting hands and arms.

With a net Head high, on a Court approximately the size of a Volley Ball Court, four (4) players make up each team. The Team wins the right to serve and this service is with the Head and the opposing player must allow the ball to bounce before returning - it must be returned within four touches. During the rally the ball may be allowed to bounce on coming over the net or volleyed as in tennis. The Point is lost if the ball is allowed to touch the ground more than once, is played into the net, is played out of the court or the ball is handled. A Winner is determined by the first team to reach 11 points .....

## AMERICAN STYLE "SHOOT OUT"

This innovation was originated by the North American Soccer League where all games are played to a result.

If the game is drawn at the end of the extra time period, both teams then nominate five (5) players to participate in a "Shoot Out".

From a line 35 yards out from the Goals, a player will take the ball in a 'one against one' situation with the opposing Goalkeeper, who may advance from his line. The Player must take his shot at Goals within 5 seconds. If the Teams remain tied after the prescribed five attempts, they then continue to take alternate kicks on a sudden death basis.

The Line-up for to-night's competition between P.S.L. Players of both Clubs is as follows:

### E A S T S

## WELCOME TO OUR VISITORS

This afternoon we welcome the players, officials and supporters of St.George B.S.C. our tradional rivals in Sydney.

After a lean start this year, St.George with ex-English International, Ralph Coates, in their side and Joe Vlasits as Coach, became a force again in the P.S.L. In their last 7 games they recorded 6 wins and a draw, including a great win last week over Marconi, Martin Coe in goal is at his peak and the defence with experienced UTJESONOVIC, HARRIS & GROSSE became a top performing unit.

The two O'SHEA brothers, John and Robert combine well with COATES and up front they have giant centre-forward MORGAN partnered by speedy hensman and skilful Phil O'CONNOR on the wings.

In the P.S.L. our games ended in 2-2 and 1-1 draws last year and a 3-1 Hakoah win in 1978.

\* \* \* \* \*

We also extend a warm welcome to visitors, Canberra City. Wests remember a very exciting tussle, in the first round match which resulted in a 2-2 draw, yet another of Canberra's drawn games - they have certainly been the 'draw' specialists this season.

Canberra will be without two of their young defenders, Moulis and Milovanovic who like our own Greg Woodhouse are overseas in America representing the Australian Schoolboys.

We take this opportunity to congratulate Canberra City on their excellent promotion of the Club this season, a credit to John Warren and the large band of willing workers associated with the Club.

### HAKOAH NEWS

- \* Congratulations to TODD CLARKE, KEVIN MULLEN, STEVE O'CONNOR, MURRAY BARNES (HAKOAH) and PETER STONE, CLIVE EATON (WESTS) selected in the N.S.W. team to play Queensland in Brisbane on August 16th.
- \* Our Ladies finished their season playing in the Manly District narrowly missing out from the top four, a very creditable achievement for a team formed this year. Joint Awards as PLAYER OF THE YEAR went to ANNE-MARIE BRAUND and WENDY ILLINGWORTH. Unfortunately for us, ANNE-MARIE returns with her husband Glen to YOUNG, where they originally came from. We wish them both the very best in their new home.

### WESTS SOCCER SNIPPETS

- \* It is with pride that Wests pay tribute to their Youth League Team "The Magpies" who recently gained the honour of being declared MINOR PREMIERS for this year's Coca-Cola Youth League competition. Well done lads, and our Committee and Members wish you every success in this year's Coca-Cola Cup.
- \* Mention should also be made of the tenacity and dedication of the members of the Western New South Wales who entered this year's Youth League for the sole purpose of gaining experience and improving their standard. To travel the distances involved (Orange) every second week-end is indicative of the keenness which exists in our country areas and which should be further exploited in the years to come.

### GENERAL INFORMATION.

All patrons are reminded to complete their entry form for the PHILIPS COLOURED T.V. SET which will be drawn during the break between the two games on Sunday, August 20th.

Don't forget to bring your COCA-COLA SUNSHADE which bears a LUCKY NUMBER to the ground on Sunday so that you might have the chance to win a MYSTERY PRIZE.
